WAS FOUND IN A FIELD

Believe That He Killed Himself and Was not Murdered

While going through the woods merly known as Garretson's aviation field on Amboy avenue on Saturday afternoon, John Kovoch of 366 Insieg street, noticed the dead body of a man. He immediately notified police headquarters and Mounted police headquarters about a mile back of what ; s for-Officer Joseph Hartung, Motorcycle Officer Paul Layden came to the scene. Coroner J. S. Hay was notified and upon his arrival, gave permission for the removal of the body from the scene. Opinions were di-vided as to whether it was a case of suicide or murder. • The fact that the face of the Lian

is somewhat decomposed from laying in the field for a period believed by the authorities to be several months, it will be somewhat difficult to make identification. The detectives of Captain Long's bureau are of the opinion that the man is a Mexican or a Porto Rican, and is about thirty-eight years old. His height is about five feet, six inches and he eighs in the vicinity of one hundred

The hair of the dead man is dark brown and he has smallpox marks on his face. He wore a velour hat, Young make, brown overcoat made by the Meyer Bros, of Philadelphia, grey suit with white stripes, brown oxford ties, brown silk striped stock.

further storing or salvaging of explosives in the county.

The mayor has received many answers to his communication and in all instances the municipalities have pledged their support to any action that may be taken to remove the explosives from the county. A communication received from Otto Wittnebert, chairman of the Raritan township committee, informs the mayor of the resolution adopted by the committee demanding the removal of the explosives and requesting him to attend the meeting tomorrow night. Edward A. Burroughs, Metuchen borough clerk, has informed the mayor that municipality will do all in its power to remedy conditions.

jured in its path.

Mr. Miller declared the explosives stored at the arsenal had been man-ufactured to shoot in France and not to be stored in thickly populated sections. He pointed out that there is not another country in the world which allows the storage of war time explosives for they realize the danger to the public. He held that the ex-plosives are not fit for salvage purposes and said the governmen should have them destroyed.

Following are the names of the thirteen explosion victims whose bodies have been recovered and buried: Joseph Adams, Highland Park; Mrs. Arthur Dumas and three children, Nixon; John Fitzgerald. Perth Amboy; Hugo Hagen, Linden-au; John Mazaras, Highland Park; Harold Slade, Menlo Park; E. L. Smith, Metuchen; Lester Spencer, Metuchen; Edward Starkins, Lindenau; Mrs. R. J. Wherry, Morgan.
